Lutheran Campus Ministry at WVU

No point in even trying to say it all on one slim jim. Lutheran Campus Ministry at WVU is a dynamic, multidimensional, growing ministry in the midst of the academy. Most importantly, we are faithful: faithful to the Triune God through the proclamation and praxis of the Lutheran movement.

*We are a chapel of the church!
We are a mission post of the church!
We are an embassy of the church!
We are the church!*
